

Youth Legislature

This is your opportunity to make your voice heard. Be a part of the Edna Karr politicians, write a bill that you feel strongly about, and present it for legislation and debate it during the conference in Baton Rouge in an attempt to make your bill a law.

At Youth Legislature, students attend a three-day conference as Senators, House Representatives, officials, members of the judicial system, or as press representatives. Throughout their stay in Baton Rouge, the 550-plus students assume specific roles and act out mock legislation or mock trial.

This program also introduces students to all aspects of the legislation process including electing a Governor, Lt. Governor, Speaker of the House, President of the Senate, and a PDT Presiding Officer.
